Subject: Underwater Hull Survey - MV WORLD TRUMPET

Gentlemen:

I would like to take the opportunity to thank you for the fine services that your company recently provided to perform an underwater hull survey of the MV WORLD TRUMPET in Aqaba. This work was contracted with you on behalf of our customer, the U.S. Navy's Military Sealift Command for this vessel. The Military Sealift Command's local representative has informed me that the survey you performed was satisfactory in all respects. I understand that you were subsequently contracted to perform the hull cleaning.

I wish to thank you for your prompt response to our request for services and for the professional manner in which you conducted this business. Should we have a similar requirement in the future we will most definitely contact Jordan Frogman, Est.

Sincerely,
Seaworthy Systems, Inc.

Thomas J. Pakula
Executive Vice President
